Project LPIE

POWERED BY
Lafayette Partners in Education

6th Annual Project LPIE

Project LPIE recognizes Acalanes High School students for their project based-learning both inside and outside the classroom by offering competition in 17 categories that showcase their skills.

Project LPIE is open to all Acalanes High School students. Students may submit one project per category.

Cash prizes are awarded for 1st, 2nd and 3rd places. Merit citations are awarded to all participants.

Winners are announced at the Recognition and Awards reception on May 10th from 4-6 pm in the Community Room at the Lafayette Library and Learning Center.

Important Dates

Journalism

2019

March 22 - Register Online

Let LPIE know that you want to submit a project by completing the online registration form. You will receive a confirmation email from LPIE.

April 15 – Projects Due

Submit your project online by 11:59 pm using the link provided in your confirmation email.

May 10 from 4-6 pm

Recognition and Awards

Attend the reception in the Community Room at the Lafayette Library and Learning Center. Family and friends are invited. Light refreshments will be served.

Project Criteria

- ❖ Write a hard news story of your choice in journalistic style.
- ❖ Prepare a typed article: minimum of 400 and a maximum of 800 words.
- ❖ Include a headline to your article.
- ❖ Please include existing documentation, articles or facts that your article is based on.

Judging Criteria

- ❖ Quality of writing: Is it factual and not opinion? Does the writer use clear, concise, language? Is the story written with active verbs and descriptive phrases?
- ❖ Quality of reporting: Is the story complete? Did the writer use credible sources representing different sides of the issue? Are the readers' questions answered?
- ❖ Balance: Are all sides of the issue reported fairly? Is the information presented in an objective manner?
- ❖ Completeness: Is the entire story presented or will readers have to go elsewhere for important information?
- ❖ Did the writer thoroughly investigate the issue and report the information?
