LPIE...Keeping Acalanes a Top-Performing High School

At a time when California is the 41st lowest state in per pupil spending, LPIE is essential in preparing your student for success in an ever-changing world.

Because of LPIE...

ELECTIVES

7th Period exists for more electives and increased student engagement.

WELLNESS

The Acalanes Wellness Center is available to all students, every day, to support their emotional and mental health needs.

WRITING TUTORS

LPIE Writing Tutors spend over 700 hours with every 9th and 10th grader to improve writing skills.

CHROMEBOOKS

Every student gets an LPIE Chromebook for the 4 years of high school.

TECHNOLOGY

LPIE provides Acalanes with 21st-century classrooms equipped with robust technology, including Smartboards, Design-Making Computers, and iPads.

STEM

Students have the supplies and materials needed to enhance their STEM classes in Science, Engineering, Math, and Robotics.

AND MUCH, MUCH MORE...including funding for Visual & Performing Arts, World Language, Special Ed, English, and Tech Education.

Invest in Your Student!
LPIE suggests a donation of \$1,000 per student

Our goal is **100%** participation. We appreciate donations of any size.

APC...Get Informed, Get Involved, and Support Our Students

APC promotes the educational well-being of Acalanes High School students, serves as a voice for the parent community with the administration, and helps educate and engage Acalanes parents.

Thanks to APC...
